Pay Policy 2017

There are no changes to the Document for 2017.

The DfE has determined an inflationary increase of 2% on the minima and maxima of the Main Pay Range and 1% on the minima and maxima of all other teachers' pay ranges and TLR and SEN Allowances for 2017.

Employers will need to determine if and how they will apply this award, above the minimum of each pay range/allowance, in accordance with the Pay Policy they have adopted and inset the values of the pay ranges (at section 4 (teachers) and Appendix E (Leadership)) accordingly.

Indicative pay ranges are available on the HR Latest News section:

<http://www.eesforschools.org/HR>.

The Teachers' Pay and Conditions Document provides considerable flexibilities and discretions for employers. This Model provides a framework for schools and academies to develop their own pay policies. It is one model, and other Models can be explored. Multi Academy Trusts in particular will need to consider the levels of decision making which will be held by the Trust Board, the CEO where applicable, Headteachers and the Local Governing Bodies and reflect these in their Policy.

HR can provide further support on Policy development if required.

This is a model policy/procedure which reflects legislation, any relevant statutory and non-statutory guidance and best practice. The responsibility for setting policy and procedure resides with the LGB/Trust and as such the relevant body must be satisfied that the content of the policy/procedure suits their requirements and must consult their staff/local trade union representatives prior to its formal adoption. In this context, Education HR does not negotiate and agree its model policies with the Trade Unions/Professional Associations, although they are consulted and their feedback is considered in the development of the documents.

Staff were consulted on The Pay Policy and it was approved by the HR & Pay Committee on 30th October 2017 and ratified by the Board of Trustees on: 29th September 2017

1.	INTRODUCTION	
1.1	This Policy sets out the framework for making decisions on staff pay.	
1.2	Staff pay is affected by legislation, and national and local pay agreements, which give governing bodies' significant flexibility to determine pay levels to meet local circumstances. The policy complies with the School Teachers' Pay & Conditions Document (STPCD) and the accompanying statutory guidance and with national and local pay agreements for support staff and these documents will take priority in any disputes. The Policy will be reviewed annually, in consultation with staff and unions.	
1.3	The objective of the policy is to: <ul style="list-style-type: none"> • ensure that pay and staffing arrangements enable the current and future delivery the curriculum and school improvement plans; • support the recruitment and retention of high quality staff; • recognise and reward staff for their contribution to school improvement; • ensure that pay decisions are made in a fair and transparent way; • ensure that available monies are allocated appropriately. 	
2.	ROLES AND RESPONSIBILITIES	
2.1	Pay Committees The Trust has established the following committees which have fully delegated powers to make decisions on pay, and (except in relation to the Headteacher's pay) will be advised by the Headteacher as appropriate. <ul style="list-style-type: none"> • Local Governing Board (LGB) – Approve performance related pay awards recommended by Headteacher • HR & Pay Committee – Recommend annual inflationary pay awards to Board of Trustees • Pay Appeals Committee 	
2.1.1	The terms of reference for these committees are attached at Appendix A. Trustees/Governors will not make judgements about the effectiveness of individual staff. Their role is to satisfy themselves that any recommendation/decision has been made on the basis of evidence and in accordance with the Policy, and that correct procedures have been followed. The LGB will monitor the effectiveness of the Performance Management process and ensure that the allocation of pay is consistent with the overall standard of teaching in the school and the outcomes for pupils.	
2.1.2	Where the LGB collaborates with another governing body or bodies on the appointment of staff, joint pay committees may be	

	established between the relevant bodies to deal with pay and performance matters of relevant staff.	
2.2	<p>Performance Management</p> <p>Performance Management is a developmental and supportive process designed to ensure that teachers have the skills and support they need to carry out their role and that they continue to improve their professional practice throughout their careers. Performance management reviewers will be responsible for the performance management process, in accordance with the Performance Management Policy. Performance Management objectives will be moderated across the school to ensure consistency and fairness in pay decisions. The Performance Management Review Statement will include a pay recommendation which will be made by:</p> <ul style="list-style-type: none"> • The PM reviewer for Main Pay Range teachers and support staff • The Headteacher/Deputy Headteacher for Upper Pay Range and Leadership Range teachers • The Headteachers' Performance Management Review Panel for the headteacher 	
2.2.1	<p>Application for the Upper Pay Range</p> <p>The Headteacher will assess applications from teachers to be paid on the Upper Pay Range in accordance with this policy and will make a recommendation to the Pay Committee on whether the teacher should progress to the Upper Pay Range.</p>	
2.3	<p>Staffing Structure</p> <p>The LGB/ HR & Pay Committee will, having regard to the advice and recommendation of the Headteacher, determine, monitor and review the school staffing structure. The staffing structure sets out the number and pay ranges for all posts within the school and is at Appendix D.</p>	
2.4	<p>Leadership Group and Lead Practitioners</p> <p>The Headteacher* will be responsible for determining the starting salary, and for making pay progression decisions, for posts on the Leadership and Lead Practitioner Pay Ranges. Such decisions will be ratified by the LGB.</p>	
2.5	<p>Other teachers</p> <p>The Headteacher in conjunction with the School Business Manager (SBM) will be responsible for recommending the starting salary, and for making pay progression decisions, for teachers on the Unqualified, Main and Upper Pay Ranges. Such decisions will be ratified by the LGB.</p>	
2.6	<p>Support Staff</p> <p>The Headteacher/Deputy Headteacher in conjunction with the School Business Manager (SBM) will be responsible for determining the starting salary, and for making pay progression</p>	*

5.	PAY ON APPOINTMENT	
5.1	<p>The salaries of new staff will be set within the Pay Range for the post as set out in the Staffing Structure and in accordance with this pay policy. In determining the starting salaries for individual staff, including the award of any discretionary payments as allowed for within this policy, account will be taken of;</p> <ul style="list-style-type: none"> • the skills, experience and relevant qualifications of the individual; • market conditions; • any specific restrictions set out in the Teachers' Pay & Conditions Document; • the employee's current salary level; <p>Newly Qualified Teachers in their first year will normally be paid on the minimum of the Main Pay Range.</p> <p>There is no assumption that an employee will be paid the same rate they were being paid in a previous school.</p>	
6.	PAY PROGRESSION BASED ON PERFORMANCE	
	Teachers on the Main, Unqualified, Upper and Lead Practitioner Pay Ranges	
6.1	<p>Decisions regarding annual pay progression within the relevant ranges set out in 4.1-4.3 above, will be made with reference to teachers' performance management statements and the pay recommendation they contain. In the case of Newly Qualified Teachers, whose appraisal arrangements are different, pay decisions will be made by means of the statutory induction process.</p> <p>The LGB expects all teachers to perform at the highest possible level and to continue to improve their professional practice year on year. Performance Management objectives will be progressive and developmental, thereby ensuring that good performance is rewarded and that good teachers have the opportunity over a number of years, to progress to the maximum of their respective pay range.</p>	

<p>6.2</p>	<p>Decisions on performance pay progression will be based on an assessment of the <u>overall</u> performance of the teacher.</p> <p>A teacher will be eligible for annual performance pay progression where they:</p> <ol style="list-style-type: none"> 1) have been assessed as meeting all of the teaching standards, throughout the assessment period; 2) have had their teaching assessed as at least good <u>overall</u> during the assessment period; 2a) Upper Pay Range teachers will be expected to demonstrate increasing levels of outstanding teaching <u>overall</u> 2b) Lead Practitioners will be expected to demonstrate outstanding teaching <u>overall</u> 3) have been assessed as meeting the requirements of their job description/job role; 4) meet their individual performance management objectives; Consideration will be given where factors beyond the teacher's control have impacted on their ability to meet objectives; 5) have demonstrated a personal responsibility for identifying and meeting their CPD needs. <p>The evidence which will be considered in assessing performance will include:</p> <ul style="list-style-type: none"> • pupil progress data; • quality of teaching against the Teaching Standards, including observed practice; • self-assessment; • professional dialogue; • received feedback; • performance management statements; • CPD records. <p>And in the case of Upper Pay Range teacher and Lead Practitioners, evidence of their contribution beyond their own classroom and their impact on the wider school.</p> <p>Where a teacher has been absent for some or all of the assessment period, an assessment will be based on performance during any periods of attendance and/or prior performance.</p>	
<p>6.3</p>	<p>Decision to progress</p> <p>Where all of the performance pay progression criteria set out in 6.2 above are met, a teacher on the main scale pay range will move up two Performance Pay Progression Stages and a teacher on the upper pay range scale will move up one Performance Pay Progression Stage. Discretion will be applied to teachers on the main scale pay range where not all performance management objectives have been fully met, but significant progress has been made. Staff who satisfy these criteria will move up one Performance Pay Progression Stage</p>	

<p>6.4</p>	<p>Decision not to progress Where the performance pay progression criteria in 6.2 are not met, the teacher will not receive any performance pay progression. A decision not to award performance pay progression may be made without recourse to capability procedures. However, teachers who fail to meet the minimum teaching standards and/or who consistently fail to improve their practice or to sustain the expected level of performance for their pay level, may be subject to these procedures.</p> <p>Where a decision not to progress is made, the teacher will be supported through the performance management process to improve their performance.</p>	
<p>7.</p>	<p>MOVEMENT TO THE UPPER PAY RANGE</p>	
<p>7.1</p>	<p>Any qualified teacher on the Main Pay Range may apply to be paid on the Upper Pay Range once per year. It is the responsibility of the teacher to decide whether or not they wish to submit an application. Applications must:</p> <ul style="list-style-type: none"> • be made on the appropriate application and submitted to the headteacher; • be submitted by 31 October in each year (consideration will be given to accepting late applications where individual circumstances eg absence prevent this deadline being met). 	<p>A model application form can be found from the HR page of the EES for Schools website under Pay & Conditions (then Teachers).</p>
<p>7.2</p>	<p>The Criteria An application will be successful, if the Headteacher and the Pay Committee are satisfied that:</p> <ul style="list-style-type: none"> • the teacher is highly competent in all elements of the teaching standards; and, • the teacher’s achievements and contribution to the school are substantial and sustained. <p>In this school, this means that the teacher has consistently</p> <ul style="list-style-type: none"> • demonstrated that they meet all teaching standards, both in terms of teaching and personal and professional conduct, over a sustained period; • been assessed as meeting their performance management objectives over a sustained period; <p>and in addition that;</p> <ul style="list-style-type: none"> • teaching has been rated as good <u>overall</u>, with some outstanding, over a sustained period; • the teacher has demonstrated over a sustained period an ability to support some pupils to exceed expected levels of progress/achievement; • the teacher has consistently taken responsibility for identifying and meeting their own professional development needs and used their learning to improve their own practice and pupils’ 	<p>Governors to amend if they have alternate/additional expectations of Upper Pay Range teachers</p>

	<p>learning;</p> <ul style="list-style-type: none"> • the teacher has demonstrated that they have made an impact on the school beyond their own class/group(s) over a sustained period. This may include <ul style="list-style-type: none"> ○ demonstrating an ability to coach, mentor, advise and demonstrate best practice to, other teachers to enable them to improve their teaching practice; ○ contributing to policy and practice which has improved teaching and learning across the school; <p><u>Sustained</u> means maintained continuously over a period of at least 3 school years (a year being defined as at least 26 weeks work in any academic year). It is normally expected that this will include at least one year at this school, although discretion will be exercised where there is clear and compelling evidence of consistent performance against the criteria at the teacher's previous school.</p> <p>The school will exercise its discretion to consider performance over a lesser period where a teacher has been absent for some of the relevant period.</p>	
7.3	<p>The Assessment</p> <p>The Headteacher will assess all applications to be paid on the Upper Pay Range and their recommendation will be considered by the Pay Committee.</p> <p>The Headteacher will use the evidence contained in the teachers' performance management review paperwork to make their assessment.</p> <p>A teacher who has not been at the school for all of the 3 year assessment period, should provide their performance management review statement(s) from their previous employment with their application.</p> <p>A teacher may, if they wish, provide additional evidence to support their application, but is not obliged to do so.</p>	
7.4	<p>Procedure</p> <p>The Headteacher will discuss their recommendation with the teacher and the LGB/Pay Committee will confirm the decision by 31 December.</p> <p>Where the application is approved, the teacher will progress to the minimum of the Upper Pay Range backdated to the 1 September.</p> <p>Where the application is not successful, the Headteacher will provide feedback and the teacher will be provided with advice and support through the performance management process to develop their skills with a view to them making a future successful application.</p>	

	Teachers have the right to appeal any decision not to move them onto the Upper Pay Range. The appeals procedure is at section 21 of this policy.

10.6	Recruitment and Retention Payments and Incentive	
	<p>The Headteacher/Deputy Headteacher will recommend to the LGB, on a case by case basis, a payment or incentive to secure the recruitment, and/or to retain the services, of a teacher. In authorising such a payment, the following factors will be considered:</p> <ul style="list-style-type: none"> • that there is evidence that there is difficulty in appointing to a particular post or in recruiting a teacher with the required skills, qualifications and/or experience; 	Amend considerations as appropriate

	<ul style="list-style-type: none"> • that there is a need to retain the skills, qualifications or experience of an individual; • whether the salary available in the context of the staffing structure is insufficient to secure an appointment given the circumstances of the school; • available financial resources; • market forces. <p>Any such payment or incentive will be subject to review and there will be no entitlement to a payment beyond the review date.</p> <p>Any such payment will be confirmed in writing, including details of:</p> <ul style="list-style-type: none"> • whether it is for the purpose of recruitment or retention; • the nature of the payment or incentive; • if a financial payment paid, whether this will be paid monthly as part of salary or as a lump sum to be paid at an agreed time; • the basis for any uplifts where applicable; • the date which the payment/incentive will be reviewed; <p>Leadership Group may only receive payments under this Section for reasonably incurred housing or relocation costs.</p>	
10.7	Acting Arrangements	
	Where a teacher is assigned and carries out the duties of a Headteacher, Deputy Headteacher, or Assistant Headteacher, but has not been appointed in an acting capacity the LGB shall, within four weeks, determine whether or not an allowance should be paid in accordance with the provisions of the School Teachers' Pay & Conditions Document.	
11.	PART TIME TEACHERS	
	<p>Teachers who work less than a full day or week are deemed to be part-time. The proportion of full-time will be calculated in accordance with the Teachers Pay & Conditions Document as follows:</p> $\frac{\text{Teacher's timetabled teaching time}}{\text{School's timetabled teaching time}} = \text{part-time percentage}$ <p>Part-time teachers will be expected to work a corresponding proportion of directed time and will receive a corresponding proportion of a full- time salary.</p>	Further guidance on this calculation is contained in the TPCD
12.	SHORT NOTICE/SUPPLY TEACHERS	
	Teachers who are engaged directly and work on a day-to-day basis or other short notice basis will have their pay determined in line with the statutory pay arrangements in the same way as other teachers.	

	<p>Supply teachers working a whole day, including directed time, will initially have their salary calculated as an annual amount; it will then be divided by 195 and multiplied by the number of days worked.</p> <p>Supply teachers working less than a full day will be hourly paid. The salary will be calculated as an annual amount and then divided by 1265 to determine the hourly rate, which will then be paid for hours worked, including any agreed payment for directed time.</p>	
13.	SUPPORT STAFF PAY	
	The salary of support staff is as set out in their contract of employment.	
13.1	<p>Starting salary The salaries of new staff will be set within the range for the post as set out in the Staffing Structure and in accordance with this pay policy. 13.3	<p>Part-time staff Support staff who work less than a full day, week and/or year are deemed to be part-time. The proportion of full-time will be calculated as follows: Hours per week x weeks per year ----- 37 x 52.14</p>	
14.	SALARY SACRIFICE SCHEMES	
	The Trust/LGB do not operate any Salary Sacrifice Schemes.	
15.	PENSIONS	
15.1	All regular salary payments and additional allowances and payments to staff within this policy, with the exception of some recruitment and retention benefits, are pensionable.	

	Note: Full-time teachers cannot be members of the Teachers' Pension Scheme for a second job (eg 1:1 tuition at another school). They can however join the Local Government Pension Scheme for this secondary employment.	
15.2	The LGB will not promote staff through the grading systems or use other pay flexibilities to assist in securing an employee's improved pension entitlement on retirement. The LGB recognises that, where this to be done, the DfE and/or pension regulator, where appropriate, may use their powers to substitute a notional salary for calculation of pension.	
16.	SALARY SAFEGUARDING/PROTECTION	
	The LGB will ensure appropriate salary protection/safeguarding for teachers in accordance with the School Teachers' Pay and Conditions Document and for support staff in accordance with the schools' Redundancy and Re-organisation Procedure. Employees in receipt of safeguarding will be expected to undertake commensurate work.	
17.	STAFFING BUDGET	
	The amount of money allocated to implementing the Pay Policy will be determined at the beginning of each financial year through the budget allocation process of the school. The LGB will endeavour to ensure that appropriate funding is allocated for performance pay progression at all levels.	
18.	EQUALITIES	
	The LGB recognises the principle of equal pay for work of equal value in the implementation of this policy. The LGB will take into account the salaries payable in comparable establishment, where possible, in setting pay levels. All pay related decisions will be taken in accordance with relevant equalities legislation, Employment Relations Acts and Part-time Workers and Fixed-term Employees Regulations. Appropriate consideration will be given where staff have been absent for long periods e.g. due to sickness or maternity leave.	
19.	OVER/UNDER PAYMENTS	
	The LGB shall be entitled to deduct from your salary any money which you may owe to the school at any time. Support staff working less than 52 weeks have their annual salary spread evenly over 12 months, whereas their working hours are spread unevenly across the year due to school closure periods.	

	<p>When they leave employment, a calculation will be made to assess any over- or under-payment arising from this arrangement, and any over or underpayment will be adjusted in their final pay. Employee will be notified in advance of any adjustment.</p> <p>Should an overpayment occur in other circumstances the employee will be notified in writing of the full amount of the overpayment and agreement will be sought about a reasonable repayment schedule. In the absence of such an agreement the LGB will determine a reasonable recovery schedule, usually not exceeding 5% of the monthly gross, except where the employee is leaving, where the balance owing may be deducted from final salary in the absence of an alternate agreement.</p> <p>Recovery of overpayments will be pursued in the case of former employees.</p> <p>In the case of underpayments, the LGB will apply appropriate refunds as soon as possible.</p> <p>Employees are expected to draw to the attention of the Headteacher any overpayment or underpayment as soon as possible. The Employer is expected to draw to the attention of the employee any overpayment or underpayment as soon as possible.</p>	
20.	MONITORING	
	<p>The LGB and the HR & Pay Committee will monitor the outcome and impact of this policy annually assess its effect and continued compliance with equalities legislation. The effect of the policy will be assessed particularly with reference to trends in progression across specific groups of teachers and the correlation between this and performance management reviews and outcomes for pupils.</p> <p>The pay of individual staff will remain confidential – shared only with those responsible for making pay decisions and managing administrative matters.</p>	
21.	APPEALS PROCEDURE	
21.1	<p>Staff have the right to make representations and to appeal about any aspect of their pay or pay progression in accordance with the appeals procedure within the policy, which meets, as a minimum, the statutory requirements on disputes resolution.</p> <p>Pay recommendations will be contained within Performance Management Review Statements and these will be discussed with employees at the review meeting. Where an employee has concerns about the pay recommendation which cannot be resolved at the review meeting, they should include these on the</p>	

	review statement for consideration by those responsible for making pay decisions.	
21.2	<p>An employee may make a formal appeal against any decision on pay, which must be submitted in writing within 10 working days of receipt of written notification of that decision.</p> <p>The grounds of appeals are that the decision maker(s):</p> <ul style="list-style-type: none"> • incorrectly applied the provisions of the Teachers' Pay & Conditions Document / national / local terms and conditions • failed to have proper regard for statutory guidance; • failed to take proper account of relevant evidence and/or took account irrelevant or inaccurate evidence; • were biased; or • otherwise unlawfully discriminated against the employee. 	
21.3	<p>Appeals will be heard by the Pay Appeals Committee.</p> <p>The Appeals will be heard at a meeting, normally within 20 working days of receipt of the written appeal. The employee will be entitled to attend the appeal meeting, to make representations and to be accompanied by a work colleague or a member of a recognised Trade Union.</p> <p>The procedure for the conduct of the appeal meeting is at Appendix B.</p> <p>Any written submissions relevant to the appeal must be circulated to all parties at least 3 working days prior to the meeting.</p> <p>The decision of the appeal committee will be notified in writing and, where the appeal is rejected, this will include a note of the evidence considered and the reasons for the decision. The decision of the LGB's Pay Appeals Committee is final and there is no recourse to the staff grievance procedure.</p> <p>The Headteacher shall be entitled to attend, for the purposes of providing information and advice (except in the case of his/her own salary), all proceedings of the Pay Appeals Committee.</p> <p>The role of the Pay Appeal Committee is not to make judgement about the effectiveness of individual staff. It is to satisfy themselves that any recommendation/decision has been made on the basis of evidence and has been made taking proper account of equal opportunities and that correct procedures have been followed.</p>

APPENDIX C: PERFORMANCE PAY PROGRESSION - LEADERSHIP

To achieve progression on the Leadership Pay Scale, the School Teachers' Pay and Conditions Document (STPCD) requires individuals to have demonstrated sustained high quality performance. In making judgements against this criterion and in determining whether there should be progression the LGB will consider whether the individual has grown professionally by developing their leadership; and (where relevant), teaching, expertise.

In considering whether there has been professional growth, the LGB will consider whether the following description of a person on the leadership scale has been met:

- Those on the leadership spine play a critical role in the life of the school.
- They inspire those around them and work with others to create a shared strategic vision which motivates pupils and staff.
- They take a lead in enhancing standards of teaching and learning and value enthusiasm and innovation in others
- They have confidence and ability to make management and organisational decisions and ensure equity, access and entitlement to learning.

To achieve progression (and for the above to be satisfied), there will need to have been a successful performance management review.

A successful performance management review involves a process of:-

- a. Performance Management objectives, linked to school improvement priorities, pupils outcomes raising levels of achievement and attainment, leaderships and management skills and competencies, personal development ;
- b. Performance against the teaching standards including observed practice;
- c. Performance against any other relevant Standards (eg the Headteacher Standards)
- d. Other evidence, including of professional development/growth.

Note: The LGB expects that a teacher's performance objectives will define what needs to be achieved to demonstrate that the individual has grown professionally by developing their leadership and (where relevant) teaching expertise.

APPENDIX D: STAFFING STRUCTURE

The Staffing Structure will be kept under regular review and may be amended from time to time, as the LGB considers appropriate, following consultation and as set out in the school's Redundancy and Re-organisation Policy.
