

Lawford Mead Primary School

Sport Premium Funding Report

1. Introduction

The learning and teaching of Physical Education across **HERA Primary Academy Trust** aims to develop children's knowledge of a healthy body together with how physical activity contributes to a balanced healthy lifestyle. PE provides opportunities for children to develop intellectually, socially, emotionally and physically through a range of team, group and individual experiences and opportunities.

2. Sport Premium funding

Sport Premium is funding that is jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children. PE & sport premium funding for schools is allocated for each financial year.

Our estimated PE and Sports Premium Funding for the academic year 2020-2021 is £19,250 with an additional £3,100 to be carried over from the academic year 2019-2020 due to Covid-19. In total, an estimated £22,350 of PE and Sports Premium Funding is available for the academic year **2020-2021**.

3. Impact report 2019/20

Key Indicator	Objective	Cost	Budget Allocation	Impact July 2020	Sustainability/Next Steps
<ul style="list-style-type: none"> increased participation in competitive sport increased confidence, knowledge and skills of all staff in teaching PE and sport the profile of PE and sport being raised across the school as a tool for whole school improvement 	Development of sustainable leadership capacity through in-house mentoring & membership of the Chelmsford Sports Partnership and related family of schools.	£1500	Sports Partnership membership PE subject leader release time - 1 day per term (PLT meetings)	PE subject leader's skills and leadership are secure and enable achievement of identified areas for development. Children can compete at partnership run events	PLT zoom calls to discuss action plan for this academic year to ensure money on membership is well invested and worth while. Discuss strategies with sports coach on how to engage children in events digitally.
	Provide CPD opportunities for all members of staff throughout the school year using provision from the Sports Partnership as		CPD opportunities for all staff.	Most staff trained. Planned training impacted by Covid-19.	Engage in possible online/cyber courses led by partnership to ensure staff are still offered CPD opportunities where possible.

	well as SP budget for whole school training.				
<ul style="list-style-type: none"> the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles increased participation in competitive sport broader experience of a range of sports and activities 	Pupils have access to a range of sporting opportunities before, during and after school lead by sports specialist and trained staff.	£1000	Coach hire for fixtures	Coach hire for fixtures enabling travel to competitions. Total planned > Total attended due to Covid-19

5. Meeting national curriculum requirements for swimming and water safety

As a school, we decided the swimming data we hold for children was not accurate as children used to swim in Year 3 and 4 and this is the data we held for this cohort. The plan was to send Year 6 children for a swimming top up in Summer 2020. Due to Covid-19 restrictions, this could not happen and therefore we have limited swimming data for this cohort.

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	58%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	0%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	0%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/ No

As a school, we have changed when children go swimming in Key Stage 2. It was decided that Year 3 and Year 4 does not provide us with accurate assessment to submit by the end of the year 6 each year. Children will now go swimming in Year 4 and Year 5 as of 2020/21 academic year. After Year 4 data is collected and assessed, we will provide booster sessions for those children in Year 5 using Sport Premium money.
